### **Professional Experience and Curriculum Vitae**

I am Frances Payne from Jacksonville, United States. I am working as a Rental manager in Magna Gases company. I am very energetic, creative and love connecting with people. I have more than 2 years research experience and would like an opportunity to learn more about the fields. I love to read articles, blogs like historical, religious and Mantra to get rid of mother in law and also surf the Net. My hobbies are traveling and playing Baseball. I have a passion for design and am always eager to keep learning and creating.
