MAIL BOXES ETC.[®]

Looking for a business which leaves plenty of time for family?

**We now have finance available
for up to 50 percent**
To approved applicants, terms and conditions apply

Our franchise owners enjoy working Monday to Friday only, leaving ample time to spend with family and on leisure pursuits!

There are so many positive benefits to purchasing an MBE franchise. Below are our top five.

Tired of working sixty hours a week and feeling totally unappreciated? The MBE business model is based on 8.30am - 5pm, Monday to Friday. No after hours or weekend work required which frees up your time to enjoy life more.

**Work only
Monday to
Friday**

Unlike most other franchise systems, MBE offer a wide range of B2B services. We offer mail box rental, packing, shipping, couriers, mail receiving, printing copying and more. Our multiple services means multiple streams of revenue for your business.

**Multiple
income
streams**

Our close affiliations with top tier suppliers enables MBE to achieve huge buying power. As a franchise owner you receive the discount enabled by being part of a national franchise. This results in a very appealing bottom line business model.

**High profit
margins**

While we offer some products at a retail level, our owners enjoy the benefit of carrying very little stock. Our franchise model enables ordering stock only when receiving incoming orders. This eliminates maintaining high levels of stock and spoilage.

**Low stock
volume**

Our centres can be run by the owners with assistance from only one other staff member. If you choose to expand your business, only then is there a need to expand staffing. You may choose to appoint a centre manager to run the business for you.

**Low staffing
requirements**

There are many more reasons to join our growing international brand.
