Professional Experience and Curriculum Vitae

Scottish graphic designer, Brian McGuffie has been designing brochures, exhibition displays and logo's for over 20 years, forming the Glasgow design consultancy G3 Creative Solutions in 2006. His experience ranges from graphic design to pre-press and production. In addition to a successful freelance design career, Brian has worked for several blue chip design companies and advertising agencies throughout the UK. Brian oversees all of our in-house design team on all design for print and branding projects. Online portfolio: <https://www.g3creative.co.uk>
