Previous Clientele

G3 Creative offer a unique and powerful brochure, leaflet, and flyer design service. A well designed brochure and leaflet are both excellent ways to communicate with your customers, giving them something physical that they can hold that not only informs, engages, but ultimately sells products or services and increases business. leaflet by G3 Creative, Scotland can help your business increase brand awareness, reach target audiences, and deliver a focused - professionally presented message. Our brochure and leaflet design knowledge is extensive, and we can offer you a competitive print quote, organize photography, copy-writing and translations for your brochure / leaflet.

Awards and Accolades

G3 Creative Solutions has been run by graphic designer Brian McGuffie since 2006. The designers have been working tirelessly on a broad mix of exciting projects. These include large long-term commissions, design and consultancy work for established businesses, public sector and start-up businesses alike.

Key Strengths: Attention to detail, superb work ethic, a keen eye for composition, typography, colour and design that always leads to producing stunning and effective visual results that exceeds clients expectations.

Excellent knowledge of the following design and layout applications -
Adobe CS2 including Photoshop, Image Ready, Illustrator, Indesign and Acrobat.
Guru in Macromedia Freehand, proficient in Quark XPress, Page Maker, Microsoft Word, and PowerPoint.

Achievements: Designing and implementing successful graphic design and advertising campaigns, generating leads in targeted markets. Developing and growing G3 Creative as a world-wide design brand.

Three Key Projects:

HB Rentals is the world's premier supplier of offshore and onshore accommodation cabins, and related with its head office in Louisiana – Broussard and offices through out the world. G3 Creative Solutions in Glasgow are proud to have helped them with the design and production of exhibition display systems and marketing material which includes this pocket sized full colour brochure.

Scotland's Sea Kingdom a VisitScotland project about the culture, wildlife and heritage of Scotland's west coast island's such asIslay, Jura, Gigha, Colonsay, Lismore and Tiree .The project involved the design of the Sea Kingdom logo, full colour brochure design and micro site design and build. <http://www.visitscottishheartlands.com/seakingdom/>

Sierra Rica : Premium quality organic foods from Andalusia, Spain This design project
