Professional Experience and Curriculum Vitae

With an eclectic and diverse background in press, reportage, portrait, and advertising, Gareth now uses his speed, reactions and wrestling skills in all areas of his work. His travels have taken him far and wide, shooting for the likes of Liam Gallagher, Shaznay Lewis, and Hugo Boss.

Gareth's cinematic style is a seamless collaboration of raw material with textural post production techniques. The adrenaline and thrill of Gareth's assignments continue to fuel his desire to create high impact visuals which cross all frontiers.
