Professional Experience and Curriculum Vitae

I'm a 29 year old graphic and surface designer who lives in Miami, Florida. I searching for kisi ko apna banane ki dua to make my work more effective. My inspiration comes from my life, from what I feel, what I experience, the things I listen to, the things I see and also what I can't see, the things I'm told and even the things I eat. As a human being, I try to export interesting latest things.
