## **Professional Experience and Curriculum Vitae**

Hi, my name is Judit. I've always liked to discover new fields of creativity. My latest love is glass fusing. Since I've got my own kiln I can't stop experimenting. My background - architecture, interior design, photography - shaped my taste. I prefer simple, uncluttered design, but intentionally I don't follow a particular style. I like to play with styles - mix and match them. Someday I'm totally into minimalism but the next day I can be more romantic!:) Everything can inspire me from folk art to abstract art, my traveling , different cultures, nature, music ... life.
