Professional Experience and Curriculum Vitae
We create Glasyr* — a relevant, intelligent and attractive summary of a project or company, visually reflecting its essence for the world to experience and fall in love with.

Glasyr is a Scandinavian design studio based in Copenhagen creating seductive design & confident brands. We have a burning desire to help people succeed and to be a valuable part of that process. We work close together with passionate people who strive to be the best at what they do.

Looks aren't everything but we live in a fast paced reality where you never get a second chance at making a first impression.

We provide the following design services — Visual Identity & Branding / Creative & Art Direction / Logo Design / Web Design / Editorial / Stationary / Packaging / Photography / Film & Video / Animation / Interior Design / Signage
