Professional Experience and Curriculum Vitae
Hi!
I'm Angela, I'm an experienced children's book illustrator and pattern designer based in Italy, in a small medieval town in the heart of Tuscany where I live with my family and my lazy cat.

My style is jovial and narrative: i like to tell stories with my illustrations and patterns, with quirky chacracters showing their personality in playfully, vibrant context.

I usually sketch a lot on paper but my works are always finished in Photoshop where i do the coloring and texturing.

For commissions, book project or new licensing partnership, don't hesitate to contact me:
