Professional Experience and Curriculum Vitae

Wytse has worked at design and ad agencies, but we really found our niche when we decided to take matters into our own hands. We make a great team. Wytse is the designer and I am responsible for marketing and act as art-director & sparring partner.

Wytse's love for tattoos, music and comics melt together in his design of logos, t-shirts, posters and artwork. Powerful images and clear lines with humor and clichés are not shunned. Often he designs digitally, sometimes traditional, drawn, scratched, screen printed, sprayed with cut stencils. Raw images with a dark edge.

Previous Clientele

We have worked for the band Triggerfinger, music festivals like De Zwarte Cross and the Amsterdam Tattoo Museum . Besides working under the name GoSterk Wytse is co-organizer and creator of the festival Jailbreak and he designs and silkscreens concert posters for the Vera Club in Groningen.
