## THE LOGO DOYENNE

Saving countless clients the agony and lost business from having a logo appear in a publication too small. Without her, clients would have to endure logos that weren't blue! She upholds those logos with the initials of the company in them, or italicized caps and any kind of swoosh.

## THE CREATIVE COLOSSUS

With his sidekick—"Kid Inspiration", he battles his arch enemy—"The Block". Creative Juices and Sparks of Creativity are his secret weapons in his quest to free the world from the dreaded scourge—The Cliché.
