Professional Experience and Curriculum Vitae
Grace & Manners promote strength with GRACE, inspiration with elegance, purpose with joy, and integrity (MANNERS) with kindness. Our artwork has a charm and spirit that speak to a ‘multi-culti´ sensibility with a smart use of bold, unyielding lines and an uncomplicated, graceful use of color. “Simplicity, clarity, singleness: These are the attributes that give our lives power and vividness and joy as they are also the marks of great art.” -- Richard Holloway.

Awards and Accolades
Rose Levy, The 71st Annual Theatre World Awards
"Thank you so much for participating in the 71st Annual Theater World Awards by giving us your beautiful postcards. It is greatly appreciated and the cards were received by people like Matthew Broderick, Chita Rivera, Dame Diana Rigg, and many more."

The Dream Team @BeautifulMe_Co - Be Me is an organization geared to bring out young individuals inner beauty, confidence, and self-worth in today's world of unrealistic beauty standards where negative body images and bullying are all too common.
“We wanted to formally thank you for the donation of your wonderful products! Without them the day would not have been a success! Your generosity is so appreciated by not only us but to the girls as well. The girls were so excited about all of the products they received in their swag bags. Your products were so crucial and gave the girls something to remember and take with them after the event.”
