Professional Experience and Curriculum Vitae
I am an experienced illustrator, graphic artist and print designer with over 20 years experience creating a variety of illustrations and informational graphics for newspapers, magazines, Microsoft PowerPoint presentations and interactive CD ROMs.

I have created illustrations, graphics and print collateral for a number of media outlets that include NASA, Knight-Ridder Tribune, The Record newspaper, The Greenville News, Sonic Images/Enteractive, and Insight magazine. I have received State Press Association Awards from New Jersey and South Carolina for my creative, informative and easy-to-understand graphics style. In addition to being skilled at using traditional artist tools such as pencils, paint and paper, I am also proficient using the following software programs: Adobe Photoshop, Illustrator, InDesign, Acrobat, Microsoft PowerPoint.

Received my BFA in Graphic Design from The Kansas City Art Institute, and received a MFA Degree in illustration from Syracuse University. I have also studied at The School of The Art Institute of Chicago and The School of Visual Arts in New York City.
