

## Professional Experience and Curriculum Vitae

I am a Global Corporate, Industrial & Aerial photographer, who has undertaken complex photographic assignments for several reputed and prestigious Corporate's all over the world.

We, as Corporate Photographers believe that we are not merely " Photographers" but, a vital link in your visual marketing team. Our ideas are creative and our concepts are fresh and, we believe that we are your creative partners. We sincerely believe that Corporate photography must be extraordinary and should be able to showcase the philosophy of your company to your global target audience and make your company stand out in a crowd.

Normal and ordinary are not words which fit into our mantra.

We have also undertaken Corporate CEO Portrait shoots for Infosys- CEO - Mr.Nandan Nilekeni, Reliance Industries CMD - Mr. Mukesh Ambani, Kaizan Founder - Mr.Masaki Imai, TATA Sons ED, Mr. R. Gopalkrishnan, Sandvik CEO - Mr Hakan, MERCK Pharma CEO - Dr.Dziki, Bharat Forge - CMD Mr. Baba Kalyani & several other CEO Portraits.

We are one of the few photographers from India, who have undertaken complex Corporate & Aerial Photography of various Locations, Aircraft's, Ships, OilRigs and Factories. Our assignments have covered Advertising Campaigns, Corporate Imaging, Corporate Executive Portraits, complex facilities requiring special lighting, where exclusive Corporate Ambience is to be reflected..We have at our command, some of the latest high resolution Digital Camera Systems & High Definition Video Cameras,the best lighting equipment with latest technology which contributes greatly to the crisp & stunning pictures we create.

Apart from all the necessary complex range of photographic equipment, we have at our command a wide and deep experience and skills to bring out perfect results of International standards.
