Professional Experience and Curriculum Vitae

Harry Giglio Productions is a full service video and still photography company based in Pittsburgh, PA. Our images are unique, artistic and genuine. We have a vast amount of experience solving creative problems quickly in any setting. Our crew is visually multi dimensional. We produce video and still formats simultaneously on the same shoot, with the same personnel . What we deliver is print and video imagery that is visually harmonious. Produced with the budget of one format and with the mastery of years of experience and skill
