## Professional Experience and Curriculum Vitae

Tomas Brechler aka Headead is 23 years old graphic design student from Prague, Czech republic.

Started to take computer graphics and design more seriously since beginning of 2007, he developed his own approach to graphic design and illustration, mixing vector design with photomanipulation

and traditional art. Also, due to his school specification, he began to discover world of graphic design and identity making.

At the same year he established his web portfolio [www.headead.com](http://www.headead.com).

The site has already been featured at various websites, along with his other work.
