Professional Experience and Curriculum Vitae

Hermann & Audrey was founded to form a collaborative approach to producing progressively creative image work. Together, Hermann & Audrey produces iconic editorial and commercial photography for brands, agencies and celebrity; inventive motion and projection projects; as well as contemporary arts based events and exhibits.

Hermann & Audrey is at the hub of a local and international network of creatives in diverse artistic industries. Influencing every step of our process we strive to continually create fresh platforms to collaborate with other artists and push new ideas forward.

Previous Clientele

Hermann & Audrey proudly produces commercial work for great clients including Molson Coors Canada, Reebok, H&M, Nike, Universal Music, and leading advertising agencies.

Our fashion, portrait and celebrity editorial work has been published in national and international publications and involving bold faces such as Phil Collins, Thom Yorke, K'naan, Tony Bennett and Kanye West.
