Professional Experience and Curriculum Vitae
At Hillman Arts, I specialize in both computer and hand-rendered art work, creating quality images that give your presentation a fresh and exciting look.
All of my work is custom created, from concept to final rendition, at competitive rates.

Previous Clientele
Insomnia TV
@Radical Media
Gargoyle Films
Grey Advertising
Aggressive TV
The Food Network
NBC Universal / SyFy Channel
Brand New School
Arf & Co.
McGraw-Hill
Random House
Hooked on Phonics
Aristocrat Games
Spinmasters Toys
McCann Erickson

Awards and Accolades
2D Content Developer for Slot Machine Art
Developed new, and fully visualized existing, concepts for various games. Created art roughs for main screen and symbols. Refined elements and submitted fully rendered artwork for finished product.

Storyboards
Utilized storytelling skills to develop color, as well as black and white, storyboard frames from both script and art direction. Conferred with director to create and polish visual concepts. Produced art work from thumbnails to final presentation using a variety of mediums in the fields of animation, advertising, film and television, for such clients as Scholastic Animation, Curious Pictures, MTV Studios, J. Walter Thomson Advertising, and Saatchi & Saatchi.

Licensing Art and Toy Development
Created line and color illustrations for packaging, toy concepts, style guides, and other children's products including The Itsy Bitsy Entertainment Company, Ken Viselman Presents. Created line art for coloring books published by Modern Publishing.

Comic Book Illustration
Created pencils, inks, and color art for a variety of publishers. Clients include Marvel Comics, D.C. Comics, Warp Graphics, and Defiant Publishing.
Proficient in Photoshop CS3, Illustrator CS5, Painter 9, and Mac OS X. Manual skills include penciling, inking, coloring, paste-up, storyboards, thumbnail sketches, layouts, and marker comps.
Full client list and references available upon request.
