Professional Experience and Curriculum Vitae

I am a self-taught artist. I have been a full time artist for about ten years now. What I do the most is Oil on Canvas, but I like to experiment on different supports with different media. I also work with objects, especially old cigar boxes and antique furniture. I like illustration, especially for children's books, and a lot of my work can be considered as whimsical.

Previous Clientele

Ed. Dante, Private buyers.
