Professional Experience and Curriculum Vitae

Hi! I am a contemporary illustrator and storyboard artist living in sunny Brighton.

My style is fast but realistic with a contemporary and graphic twist. The work I create best suits editorial projects but I am open to all commissions and challenges. My images are executed quickly on a digital format and sent directly to your desktop.

I studied at Northbrook, Sussex and gained an HND in Illustration and a BA(hons) in Communication Design.

I am also open to storyboard and visualization briefs-please see my website for samples.

If you have any questions, please do not hesitate to contact me by email or phone. I hope to hear from you soon!
