Professional Experience and Curriculum Vitae
Huan is a pretzel bender who wishes he were a fish. With comfy sneakers, tunes and no destination, he can walk forever. Life could use a soundtrack to keep your steps moving to a beat, except Huan walks to a rhythm that can be described as crab crawl across a corduroy beach. On his, bent out of shape, unicycle he’s meandered through 2 degrees; across time zones, equators and meridians, sometimes without the foggiest as to where he's going. He figures, you can't be lost or late if you don't have anywhere to be. Huan likes art, ideas, hates onions and currently runs Leaking Faucet Studio in Toronto.
