Professional Experience and Curriculum Vitae

Hyperakt is an independent New York City design firm with a passion for creating work that effects change in the world around us. We believe meaningful emotional and intellectual connections lead to action.

Since 2001, Hyperakt has completed dozens of branding, print and web projects. Our core areas of expertise are design and creative direction for organizations that serve the common good. We create brand identities, websites, and printed communications for clients like NAACP, ACLU, UNICEF, United Nations, GOOD Magazine, Adobe, North Star Fund, Syracuse International Film Festival, Focus Features, Nikon, NHL, Saucony, Monster and Penguin Books, among others.
