Professional Experience and Curriculum Vitae

Hi, I'm Michael Vestergaard, a Danish freelance Interactive Designer and Developer. I live and work in Amsterdam, The Netherlands.

For several years I have been involved in creating digital experiences. I have designed and/or developed websites, games, touch screen applications and much more for a wide range of clients and agencies.

I think and work "interactive", always trying to create great user experiences utilizing the best of both design, animation and technology.

My work has been featured in books, magazines, german tv shows (!!!) and I have received several awards including the FWA. I am available for freelance work all over the world.

Previous Clientele

Various agencies and clients. I don't like name dropping :-)
