Professional Experience and Curriculum Vitae
Ingrid began her studies in fine art at an early age. The desire to combine color and shapes within a space made her realize that interior design was the pathway to explore a different field of art. She graduated from Miami International University of Art and Design, where she completed her Bachelors of Fine Arts in Interior Design. Ingrid's design style is distinguished by its aesthetics and bold expression of forms, blending modern accessories with classic elements, creating a seamless environment.
