Professional Experience and Curriculum Vitae

I get inspired by interesting people and like sharing ideas. Love by business and looking forward to grow :-)) -- not only in business aspects! My label "ItalianStyle" produces very fine Italian handbags and all are handmade. Furthermore, due to my passion for this wonderful country I provide very special holiday homes all around Italy.

If you are interested in colaboration with Italian Style please feel free to contact me.

Kind Regards,

Monika - Owner Italian Style
