Professional Experience and Curriculum Vitae

Born and raised in the suburbs of Detroit, Michigan, I graduated from the College for Creative Studies in 2010. I received my Bachelors of Fine Arts in Illustration and since then I have been working and freelancing out of the Mitten. Currently, I am working out of new place I like to call home in Fabulous Ferndale. If I'm not working you'll probably find me at the latest music festival or grabbing food and/or/probably a drink at one of dozens of yummy places to eat around the area. I'm always looking for new things to inspire me and making me grab my sketchbook. Feel free to send me a note at jamiestempnik@gmail.com for any freelancing inquires, or even just to say hello!
