Professional Experience and Curriculum Vitae

Hi, My name is Jane. I am working as a Sales Executive. We are a couple of illustrators who live in North Carolina and we are in love with the kawaii world, a Japanese term that defines all the cute things. In addition to drawing, we also like writing stories, designing plushies, characters, products, and anything that makes this world a cuter place. We also work for an astrologer last year. The project named Husband Wife Divorce Problem Solution, it’s really an amazing topic.
