### **Professional Experience and Curriculum Vitae**

I'm Janie Bellino, I live in California, USA from the last six years with my family. I want to discuss with you some of my experience about my life. In 2012 I visited my home town in India. There I met a tantrik in Hyderabad, that time I was suffering from many financial crises in my life. He provides me some remedies and ensures me to solve my all problems. After consulting him my husband's business gets a hike and we are happily living in the USA.
