Professional Experience and Curriculum Vitae
You've probably seen Jason's work before.

Check out his commercial portfolio to see all of the magazine and book illustrations he's done over the years at jasonomalley.com. His greeting card company Handsome Devil Press has been selling cards across the globe since 2005. And he's also been creating über gay and sparkly graphics and branding for his pals at the Big Gay Ice Cream Shop in NYC. In his spare time he paints, throws pots, and occasionally blogs about design and celebutards. He accomplishes all of this from the comfort of his rural modernist abode in the Catskills that he shares with his partner J.R. and their dogs, Tino and Leo.
