Professional Experience and Curriculum Vitae

Hello there. My name is Aaron Jackson and I am a Graphic and Web Designer from Fresno, CA. I have studied graphic and web design at Fresno City College and The Art Institutes. I am currently expanding my knowledge in front-end development and UX/UI design. I've been designing for over four years now. I am extremely knowledgeable in Photoshop, Illustrator, InDesign, Dreamweaver, Muse, HTML, CSS, and a little JavaScript. For the past few years, my main focus and expertise was in print design, but over the course of the past year, I've been expanding my knowledge in web design and code as well.
