Professional Experience and Curriculum Vitae
Julian Calverley has many years experience as a photographer.

Coming from a traditional film, print and darkroom background he now shoots high end digital and has over twelve years experience in post production and digital workflow.

He is at home both in the studio and on location, shooting people, lifestyle, landscapes, automotive, and underwater for various clients from around the world.

His editioned landscape print work is available at www.edition-prints.com

He is represented in London by the Lisa Pritchard Agency.

His stock work is represented exclusively by Corbis Images.
