Professional Experience and Curriculum Vitae
JC Cerilla was born and raised in Manila, Philippines.

Studied in an art school which eventually introduced him to the world of photography. Fascinated by the craft he made a career out of it. At a young age of just 22 years old he was already shooting for known magazines in the Philippines like Cosmopolitan and Playboy.

Doesn't want to settle for mediocrity JC moved to New York and was able to assist photographer Andrea Blanch, a protégé of legendary photographer Richard Avedon. JC is now doing freelance works he concentrates on doing commercial beauty and fashion photography.
