Professional Experience and Curriculum Vitae
Whether you're an architect looking to market your practice, a developer wanting to presell your next project, or a landowner simply curious about the possibilities, J•D•ZŸN can create the images you need.

J•D•ZŸN is a graphics studio specializing in creating artistic digitally-produced architectural renderings and conceptual designs.

It was founded by Joshua Allen Donini, who holds a Bachelor of Arts in Architecture from Miami University.

The majority of J•D•ZŸN's work comes from repeat clients and the recommendations they give their peers — who then go on to become repeat clients. Joshua is thankful to be the visualizer of choice for a number of local architects and developers who are working on projects all across Nashville and Middle Tennessee.

Joshua works from his home studio alongside his wife, Julie.Ample distraction inspiration is provided by their three kids: Calel, Anilyn, and Basil.
