Professional Experience and Curriculum Vitae

I am a 30 years old Construction inspector from Alamosa CO. I am a very fast learner, can multi-task easily, and I’m looking for a challenge. I love yoga, listening to music, reading history books. I read a book named “good astrologer in Bangalore”. It is a very interesting book. I Matriculated in 2007 from Curro Private Durbanville. After school, I worked for an event and Project Management Company (Dithakga Events) from Johannesburg.
