**About Us**

Black Tie DJ Entertainment was started in 1990 as a result of my many years in Event Coordination and Local Radio Programming. I felt there was a need for DJ entertainment with a female touch!

Today's successful Disc Jockeys and Emcees are mobile ENTERTAINERS!

As a native Los Angeleno, I recognize the need for people to make their celebration different than everybody else's. That's why we've created questionnaires. The more information we have, the better we're able to CUSTOMIZE the entertainment!

Our goal at Black Tie DJ Entertainment is to make every party as great as it can be. We want to exceed your expectations. We take pride in what we do.

The Internet can only convey so much. Call us today to discuss your special event!

My staff and I LOVE what we do. We hope you will give us the opportunity to share our passion with you and yours.
