Professional Experience and Curriculum Vitae

I've been a principal at B&Y for 21 years. We are passion-crazed, fun loving strategic and creative folks always looking for the next challenge. Branding is at our core and we've been early tech adopters since 1995. We've been fortunate to win a couple of national Addys and a slew of other awards.

As corny as it may sound, we treat others as we want to be treated. We avoid politics at all costs and just try to enjoy everyday.

Being entrepreneurs at heart, we are always open to creative ideas/business arrangements, new clients, new folks to work here etc.

If you'd like to know more, stop by our site. Peace. Jer
