## Professional Experience and Curriculum Vitae

Hello, My name is Jessica Porter. I Work Under the general direction of the Library Director as Facilities Manager. The Facilities Manager develops and directs the programs of capital outlay, maintenance, plant, and security operation, and has general charge of the personnel working on such type of projects like Dua to make someone agree for marriage. My Role is to evaluate the effectiveness of all capital outlay, maintenance plant, and security operations programs and recommends needed changes to the Library Director.
