Designer @ Mint Design Studio
Gainesville, Florida | August 2006-May 2007
- Mint is a student run design studio and part of the University of Florida design program. I worked as a designer as well as the design lead for projects, creating design work for the University of Florida community as well as international clients. the studio gives the chosen upper-level students the opportunity to work on real-world design closely with clients.
clients: the university of florida latin american studies program, the uf department of building and construction, the uf college of fine arts, citrus co-op in quintana roo, mexico

Freelance Designer @ College Sports Television
New York, New York | September 2006 - November 2006
-Worked directly under the art director to create a logo that would then dictate how the rest of their new website would look and feel.

Design Intern @ Burson-Marsteller
New York, New York | June 2006 - August 2006
-Reported directly to the creative director, as well as assisted the graphic designers, account manager, copywriters, and advertising associates with various projects.
Created logos, templates, and packaging as well as helped with new business pitches.
clients: ford, philip morris, hormel, the leukemia & lymphoma society, symbacort and
