Professional Experience and Curriculum Vitae

Interior designer for the luxury yacht, residential and commercial industries. Design and build including custom woodworking, furniture, lighting, carpet and fine decorative finishes.

"We are the space for inventive ideas that defy past expectations. With over two decades in the interior design business we relish in the unique ability to fuse the "living on land" luxury design intelligence into the "living at sea" experience. Our depth of understanding in both creative and technical spheres, engages the left and right brains to meet the challenges in the marine environment. We are committed to creating the inimitable for every yacht that comes our way."
