Professional Experience and Curriculum Vitae
Pro commercial and fine art photographer. I offer my services and present my work through a studio and gallery located on Hilton Head Island, South Carolina, however, I travel frequently for assignments and to present workshops. In addition to providing a wide variety of commercial and editorial photography services that include architectural, product, portrait and event imaging, I also capture nature, landscape and wildlife images that have garnished local, regional and nation awards and publication. In 2009 I earned the designation of Certified Professional Photographer through the Professional Photographers of America.
