Professional Experience and Curriculum Vitae

I work along side creatives trading, designing, supplying, distributing or manufacturing internationally. I provide a simple list of currency related services that maximise the efficiency of international transactions, assisting clients in various disciplines by improving their exchange rates and managing their foreign currency risk - essentially I aim to provide an improvement in the bottom line to those creatives fortunate enough to deal in markets external to their domestic sphere.

Previous Clientele

Decoroom - Interior design
Kathry Ireland - Fabirc design
R Interiors - Interior design
Jean Moncrieff - Rug design
Rose Uniacke - Decorative art and Interiors
Hard Design & Management Ltd - Design
Lalage Beaumont - Fashion design
Biggin & Sage - Decorative interiors

To name a few

Awards and Accolades
