Professional Experience and Curriculum Vitae

I am an Industrial Designer with over 17 years of design experience in many different areas. I work with corporations, start up companies, and directors. Currently I manage the Industrial Design team at Leapfrog and I freelance for the movie and gaming industry at night.

I also showcase my work at galleries and other locations in the bay area. Feel free to visit my site on Facebook for tips, tricks and my latest work.

Previous Clientele

Leapfrog, Fisher-Price, Disney, Warner Brothers, Vtech, Jim Henson, Sesame Street, Brunswick, Puma, Dial, PepsiCo, US Army, NavMan, Bombardier, Huffy, ect...

Awards and Accolades

Please kindly get in touch for more information.

Awards and Accolades

A multitude of patents and design awards over the years.
