Professional Experience and Curriculum Vitae
I maintain a studio in Utah a well as Dresden Germany. My primary tools are a Phase One DF camera with P40+ digital back. My lighting is either natural or studio lit by Elinchrom. I have been shooting for more than 20 years; 10 commercially. I was an advertising Creative Director for ten years, and have many more years of agency experience.

I believe my Creative Director experience makes me easy to work with as I can comprehend easily, other CD and AD client direction.

Father, Husband, Advertising Photographer. I mainly work with liquids, still life, technology, food and lifestyle, but am open to any new channels. I spend my summers in Dresden and Berlin Germany and the other seasons in Utah.

Email is the best way to reach me as I travel a lot.

Kind regards,
Johnny Kurtz
