Professional Experience and Curriculum Vitae

Don Johnston is a highly motivated photographer with a unique eye & ability to capture His passion for action. He's earned a solid reputation for motion photography that definitely captures the emotion of vehicles, and the excitement of performance and active lifestyles. Since birth Don has had a passion for motor sports and photography. That passion propelled him into a career that began with his education at The Center For Creative Studies He immediately began working in Automotive Photography after graduation and before long he was shooting national ads for clients like Cadillac, Toyota, Chrysler, Dodge Ford, Chevrolet, Volkswagen and Pontiac. Today his body of work has evolved to include mountain locations for polaris snowmobiles, Kawasaki Jet Skis in the virgin Islands as well Kawasaki Motorcycles and Buell Motorcycles and Alfa Romeo in Spain. He has also shot all sorts of motorsports National Advertising for such as Race win ads for Nascar, Indy, 24 Hour Rolex and drag racing. His career continues today through his work and his racing in SCCA Road Racing. All of this has been the perfect meld of Johnston's love of Photography, the outdoors and performance expertise.
