Professional Experience and Curriculum Vitae

Jo Hoden has been an Artist for most of her life, self taught, using her imagination ,working in Pastelle, Acrlics, pen and ink, From Tattoo designs, fantasy, surreal, abstract, always from the heart, her Native American origin influences her artwork,and there are private collectors of her work.

Jo also is a freelance photographer and sees photography as a moment in time, caught ,she likes to put a twist in her photography with artist flare.

Always ready for a challenge her unique style is recognisable as is her signature.

Previous Clientele

Charante Libre, Private clients with collections of my work.
