Professional Experience and Curriculum Vitae
Based in Shoreditch, East London, Jonathan shoots parkour, freerunning as well as sports such as BMX, skateboarding and kitesurfing. He has won awards for landscape photography and studies of nature. His work has been widely published internationally and has been featured in each of the four exhibitions for the Landscape Photographer of the Year competition, held at London's National Theatre, and in the accompanying books.

He has two books due out this year entitled 'Spirit of the Street' and 'Eclecstasy' respectively. Details will follow in due course, but if you wish to be notified when they are published then please email for notification requests.

Jonathan is also a 3D illustrator and graphic designer.

Previous Clientele
