

## Professional Experience and Curriculum Vitae

I'm Jorja, working as a press reporter in the USA. I collect, write, or distributes news or other current information to the public. I really like to search for new things. Before few days ago I read a topic named love marriage specialist astrologer in Chandigarh. Wrote original articles for publication in the news sectional. Interviewed local citizens and edited stories. Provided compelling coverage of both anticipated and spontaneous news for print and online media.
