Professional Experience and Curriculum Vitae
Hi, my name is Jose Medina (AKA Joe), I'm a freelance designer with a huge passion for creating beautiful, engaging, and accessible ad's that get results for my client's businesses.

I'm passionate about design and technology, and about how they can come together to impact consumers and the real world in a positive way.

Design isn't just a job, it's something I love to do.

I believe that good design is more than ink or pixels on a surface; it is understanding how a message is relieved and experienced. By identifying the essence of that experience, I can create efficient and compelling communication that is uniquely conceived for each project.

I have a wide base of national clients. I work across many disciplines including identity design and development, art direction and print design. For each project I choose the method that has the most impact.

Based in Naples Florida with over 29 years of experience. I pride myself for very fast turnaround at an unbeatable price.

My services includes:
Identity Design, Graphic Design for Print Media, flyers, brochures, logos, postcards, catalogs/magazine, prepaid phone cards, and more.

If you would like to discuss a possible project, know more about me or any of the projects on my website, please get in touch.

DIRECTO.COM, MOBILE PET, GLOBAL DIRECT, PASSAN, ACACIA DENTAL GROUP, NUTRI LIVING, PHOENIX TELECOMMUNICATION GROUP, TMI INCOPORATED, DIRECTO, eMarketing AND MORE.
