Professional Experience and Curriculum Vitae
Hello,
I've been in the furniture business for more than 15 years and I am currently working for a fast developing company in London which offers a variety of services such as shopping, collection, delivery and most importantly - assembly of any type of furniture. We work with all major furniture retailers such as IKEA. No PAX wardrobe can withstand the expertise of our IKEA furniture assembly service!
Call our 24/7 customer service for any questions and get a free quote and a price estimate.

In my spare time I like to create sculptures from wood.
