Professional Experience and Curriculum Vitae
I learned to use my imagination at an early age by building the most marvelous creatures from trash, climbing in trees, and playing outside.
Now I use my imagination to make illustrations which are fresh, lively and colorful with a strong concept as the main point.
If you have a nice idea, a story or a difficult concept and you are looking for a solution then get in touch with me. You can choose to transfer everything to me or we do some brainstorming together.

Previous Clientele
ABN-Amro, VPRO, Intermediar, LHV (national GPs association), Slowmanagement, CZ (medical insurance), TMG, Brabants dagblad (newspaper)
